

*“The work of preaching is the highest and greatest and most glorious calling to which anyone can ever be called”*

*Martyn Lloyd-Jones*

It was a pleasure to welcome the twenty men who joined the lecturers and students for the Open Lecture Day on Saturday October 14<sup>th</sup>. Some were pastors, others were supportive of the Seminary and some men were considering a call to the ministry. They heard five lectures: Malcolm Watts on **Heaven**, Dewi Higham on **The Pastor’s Devotional Life**, John Saunders on **Passionate Preaching**, John Thackway on **Contending for the Faith** and, finally, Malcolm Watts on **The Call to the Ministry**. We trust the Lord blessed their time at the Seminary and in their fellowship together. These lectures will be available in the Salisbury Seminary YouTube channel.
