First Day of the Seminary year 2025

On Monday January 6th 2025, the First Day of the Seminary year, we were glad to welcome **Dr. David Allen** as the preacher. He gave a challenging message on 'The Ever Burning Fire' using Leviticus 6:13 as his text: *"The fire shall ever be burning upon the altar; it shall never go out."*

After his introduction, Dr. Allen made three points: the commencement of the fire, the continuation of the fire and the consequences of the fire. It was a thought-provoking message for the Seminary students, for those in the ministry and for all Christians. We are planning to produce this sermon in booklet form soon but, in the meantime, you can listen to this message on the [Salisbury Seminary YouTube](#).

Date for your Diary

You would **all** be welcome to join the students at the **Visitors Lecture Day** this year. It will be held on **Saturday October 11th 2025** when Malcolm Watts, Richard Clarke, John Saunders, Christopher Buss and Dewi Higham will be lecturing. More details and lecture titles will be provided nearer the time.

Finally, brethren, pray for us, that the word of the Lord may have free course, and be glorified.
