## Seminary News!

The Seminary conducted a Risk Assessment which was Covid-19 specific, and also produced Guidelines for conducting lectures at Grove House in Salisbury. After much deliberation, it was decided that the Seminary teaching for the full week's study in September would be held online again. The lectures will be pre-recorded and uploaded into the Seminary Office 365 for the students.

There were meant to be student reviews during this week of study. These will be held online using Zoom. We are grateful for these technological means for continuing the teaching and work of the Seminary.

We shall consider having lectures in Salisbury at the October Seminary weekend, God willing. September is the sixth month for the lectures to be put online. May the Lord bless and teach the students as they study during these unusual times.

*Lectures listed below, as the students see them:*
